Request for Quotation: Integrated Marketing Services for NutriKid Junior Launch in India

RFQ-NK-2024-003 · Issued by NutriKid Beverages Pvt. Ltd., Procurement Department, Gurgaon, Haryana

Background & objectives

NutriKid Beverages Pvt. Ltd. is a leading manufacturer of health-focused beverages in India, with a portfolio spanning functional drinks, fortified

Timelines

- **RFQ Issue Date** — 15-May-2024
- **Vendor Q&A Deadline** — 22-

juices, and dairy alternatives. We are preparing to launch NutriKid Junior, a scientifically formulated nutrition drink designed for children aged 4-12 years, featuring plant-based protein, essential vitamins, and no added sugar. This launch represents a strategic entry into the INR 8,000+ crore kids' nutrition segment in India.

We are seeking a qualified marketing agency or consortium to develop and execute a comprehensive, integrated launch campaign across traditional and digital channels. The campaign must establish NutriKid Junior as a trusted, modern alternative to legacy nutrition drink brands, with

- **Award Notification** — 20-June-2024
- **Contract Execution** — 25-June-2024
- **Campaign Launch Window** — 01-September-2024 to 15-September-2024

Evaluation criteria

messaging that resonates with both children (end users) and parents (purchase decision-makers). The indicative budget range for this engagement is INR 3.5 - 4.2 crores (excluding media buying costs, which will be billed at actuals with agreed agency margins).

The selected vendor will work closely with our Brand, R&D, Regulatory Affairs, and Sales teams to ensure all creative output is compliant with Indian advertising standards for children, accurately represents product benefits, and supports our Q3 2024 launch timeline across modern trade, e-commerce, and traditional retail channels in metro and Tier-1 cities.

criteria

- Relevant Experience and Credentials: Demonstrated experience in kids' products, FMCG, or beverage marketing in India; quality and relevance of case studies and references; agency reputation and stability — **20%**
- Strategic and Creative Approach: Quality of proposed strategic methodology; creativity and innovation in approach; understanding of target audiences

Scope of work

The selected vendor will provide end-to-end marketing services for the NutriKid Junior launch, encompassing strategic positioning, brand identity development, creative concept and execution, television commercial production, social media content creation and management, paid media planning and buying (social platforms only), regulatory compliance review for all child-directed advertising, and overall program management. The vendor must deliver a cohesive, multi-channel campaign that drives

(parents and children); cultural and market insights for India — **25%**

- Team Composition and Capability: Qualifications and experience of proposed team members; adequacy of team structure; availability and commitment of key personnel; in-house vs. subcontracted capabilities — **15%**
- Compliance and Regulatory Knowledge: Demonstrated understanding of ASCI guidelines for

awareness, trial, and purchase intent among target audiences (parents aged 28-45, SEC A/B, urban India) while engaging child consumers through age-appropriate, entertaining, and compliant creative. All deliverables must be completed and campaign-ready by 25-August-2024 to support the September launch window. The vendor will be responsible for coordinating with our internal teams, third-party production houses (if subcontracted), media platforms, and regulatory consultants as needed.

guidelines for children's advertising; FSSAI claims regulations; process for ensuring compliance; previous experience with regulatory approvals — **10%**

- Project Management and Execution: Proposed project management approach; timeline feasibility; risk management; quality assurance processes; tools and systems for collaboration and reporting — **10%**

- Commercial Proposal:

Proposal: Competitiveness and value for money of pricing; transparency and clarity of cost breakdown; reasonableness of assumptions; payment terms; cost efficiency — **15%**

- Measurement and Analytics Capability: Proposed measurement framework and KPIs; analytics tools and platforms; reporting approach; ability to demonstrate ROI and optimize campaigns based on data — **5%**

Commercial expectations Vendor quest

- **C1** All advertising and marketing materials must comply with the Advertising Standards Council of India (ASCI) Code, specifically the Guidelines for Advertising of Food and Beverages and Guidelines for Advertising to Children. Vendor must demonstrate knowledge of these guidelines and ensure all creative is compliant before submission for client approval.
- **C2** All nutrition and health

claims must be substantiated and comply with FSSAI (Food Safety and Standards Authority of India) regulations, including the Food Safety and Standards (Advertising and Claims) Regulations, 2018. Vendor must review all claims against provided product documentation and flag any unsubstantiated or non-compliant claims.

- **C3** If any consumer data is collected, processed, or stored as part of campaign activities (e.g., social media engagement, contests, lead generation), vendor must ensure compliance with the Digital Personal Data Protection Act, 2023 (DPDP Act). This includes obtaining appropriate consents, implementing data security measures, and providing data handling documentation.

- **C4** Vendor must maintain Professional Indemnity Insurance with minimum coverage of INR 2 crores and General Liability Insurance with minimum coverage of INR 1 crore. Certificates of insurance must be provided within 5 days of award notification and must remain valid throughout the

contract period.

- **C5** Vendor must disclose any existing or potential conflicts of interest, including current or recent (past 12 months) engagements with competing brands in the kids' nutrition, health drinks, or beverage categories. A signed Conflict of Interest Declaration must be submitted with the proposal.

- **C6** All intellectual property rights for original creative work (concepts, scripts, designs, content) developed under this engagement will be owned by NutriKid Beverages Pvt. Ltd. Vendor must provide IP assignment documentation and ensure all third-party materials (stock footage, music, images) are properly licensed for our intended use with appropriate usage rights documentation.

- **C7** Vendor must comply with all applicable labor laws and ensure ethical treatment of talent, especially child actors/models. All casting and production involving children must comply with the Child and Adolescent Labour (Prohibition and Regulation) Act, 1986, and industry best practices. Appropriate permissions

Appropriate permissions, guardian consents, and working hour limitations must be observed.

- **C8** Vendor must maintain confidentiality of all proprietary information, including product formulations, business strategies, research data, and unpublished marketing plans. A Non-Disclosure Agreement (NDA) will be executed prior to sharing detailed product information with shortlisted vendors.

- **C9** For paid media buying (LI-6), vendor must provide transparent reporting of all media costs with supporting platform invoices. All media buying must be conducted in NutriKid Beverages' name (principal basis) or with full cost transparency and disclosure of agency margins. No undisclosed rebates or volume discounts may be retained by the agency.

- **C10** Vendor must be registered under GST in India and provide valid GSTIN. Vendor must also provide PAN card details and ensure compliance with TDS (Tax Deducted at Source) requirements as per Indian Income Tax Act.
